REWARD

There are over 120 championships shared between the former members above. The club is as the point where we are finally digging out from the damage the recession has caused over the past 3 years. Entries are up 35% so far in 2012. The bowlers on the list above can get us back to our pre-recession levels. So we've put a bounty on their heads. Recruiting these members back to the club will get you:

- 1000 points each of the 1st 2 tournaments they bowl prior to Memorial Day
- 200 points each additional tournament they bowl for the entire year
- If they bowl two tournaments prior to Memorial Day, You both will also receive a free entry into our year end Recruiter/Recruit Bonus Event. **This event will feature over \$1,000.00 of prizes!**

And you both will be entered into a drawing for a new HD LED Smart TV!

To be eligible for this promotion, your recruits must pay their 2012 member dues, and you must accompany them to their 1st tournament back.
